

## Brainstorm & idea prioritization

Use the template to generate  
ideas and prioritize them  
before they go into your  
next meeting. It's a great way  
to get everyone's input and  
make sure you have a clear  
direction for your project.

- 1. Brainstorm
- 2. Prioritize
- 3. Implement

Brainstorm & idea prioritization

### 1. Brainstorm

Generate ideas and prioritize them  
before they go into your  
next meeting. It's a great way  
to get everyone's input and  
make sure you have a clear  
direction for your project.

1. Brainstorm
